NOTICE AND CONSENT TO DISCONNECT FROM VILLAGE SANITARY SEWER SYSTEM

NOTICE AND CONSENT

This document serves as notice to the interested parties of the Village of Fonda that I/we no longer wish to be served by the sanitary sewer system of the Village of Fonda. Accordingly, a final bill will be issued, which I/we agree to pay without penalty within 30 days of receipt. If no meter is installed, the minimum charge for the time of use per month will be applied. After 30 days, a 5% penalty will be applied as prescribed by the rules and regulations governing sewer use that are currently in effect. Upon failure to pay these charges within the current fiscal year, they will be levied to the Village property tax bill.

I/we also understand and agree that, should a reconnection to the sanitary sewer be requested, all costs and expenses incidental to installation and connection of the building sewer shall be borne by the owner(s). I/we indemnify the municipality from any loss or damage that may directly or indirectly be occasioned by the disconnection from the sanitary sewer.

IMPORTANT: Upon completion of this request, the property can no longer be used for human occupancy, employment, recreation, or other purposes.
