

Resolution #6-2024 Resolution Requesting Increased AIM Funding

Offered by _____, Second by _____

Whereas, the Aid and Incentives for Municipalities (AIM) program plays a critical role in funding essential municipal services for cities and villages across New York State; and

Whereas, city and village officials share the same priorities as our state leaders, which is to make New York safer and more affordable; and

Whereas, New York’s local governments, who are on the frontlines of controlling property tax affordability and ensuring public safety, are integral to achieving those goals; and

Whereas, the State has not increased AIM funding in 15 years and according to the Bureau of Labor Statistics, inflation has increased by nearly 45% during that same period; and

Whereas, this neglect from the State has led to rising municipal tax burdens and harmful disinvestment in essential municipal services and staff; and

Whereas, the property tax cap further limits the ability of local governments to properly fund the services their residents need; and

Whereas, the challenges of rising inflation, the increasing costs of labor and supplies, and the end of extraordinary federal aid, only accentuate the need for an increase in AIM funding; and

Whereas, the Governor’s 2024-25 Executive Budget proposes to keep AIM funding flat; and

Whereas, an increase in AIM funding would reduce the local tax burden and help revitalize communities across New York;

Now, therefore, be it resolved that the Village of Fonda urges Governor Hochul to work with the leaders of the Senate and Assembly and increase AIM funding in the 2024-25 adopted State Budget.

A copy of this resolution shall be sent to Governor Kathy Hochul, Senate Majority Leader Andrea Stewart-Cousins, Assembly Speaker Carl Heastie, Senator Breslin, Assemblymember Smullen, and the New York State Conference of Mayors.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows.
