Discussion held regarding the communication from Mont Co Ag/Fonda Fair regarding a water line leak. Deputy Mayor Healey stated he was good with charging them for all water used and only a minimum usage charge for the sewer would like to know how much water was leaked. Decision made to bill water and sewer according to the usage and they will revisit the request at the April 13, 2026, meeting.

Public or Guest Comment

- Beverly Guiffre, Historian – Has been doing searches at archives for people looking for information on family members.
- Sal Riggi, questioned whether there would be concerts in the park again this summer, Deputy Mayor Healey stated that the mayor would have to provide and update.

Review of Reports**Mayor's Report:**

- The report was submitted in writing.
- Trustee Sprague noted that the summer concert series is scheduled again.

Department Reports:

- Code Enforcement and Clerk Treasurer department reports were submitted in writing.
 - Code Enforcement
 - Received a letter from a property on E Main St. regarding the invoice for sidewalk snow removal done by the village, owner asked that the charge be removed citing no prior notice, per Village Law no notice is required. Deputy Mayor Healey stated that since the law says no prior notice needed the bill should be paid by the property owner, Trustees Schriener, Sprague and Scott agreed.
 - Received a call from the new owner of 48 N Center St. inquiring about putting a driveway on the south side of the house, there is currently no driveway. He will need to get with the DPW department to see what, if any, lines are in the vicinity. Told the owner they will need to have the property surveyed. Currently there is a retaining wall that may be removed. Will need to remove soil to lower property height, the soil would be relocated to the backyard. Questions were raised about what effect removing the retaining wall would have on the house and property to the south. Code Officer Waddle said he would require the project to be engineered. Trustee Sprague stated that he would want the sidewalk to remain in front of the property.
 - Contacted by the owners of Haven of Hope who would like to put in a Duplex on their property near the end of Barber St, want to make sure water and sewer service would be available. Need to get with DPW to see if possible. Discussion was held about who would be responsible for the cost to extend the services and road.

Public hearing is needed for proposed Local Laws regarding hiring employees from outside the village and Montgomery County and for overriding the 2% tax cap. Board chose Monday, March 30, 2026, at 6:00pm for the public hearing.

- **Financials:**
 - Financial reports were provided separately to the Board before the meeting.
 - Financial approvals are listed under the motions below.
